Ten Reasons Why it's Better To Use a Professional Talent Booking Agency When Choosing Live Entertainment

You may have heard the old saying, "You get what you pay for." Nowhere is this more true than when considering entertainers for your event. When you go direct to an entertainer, you're going to save money, and each will tell you they're at the top of their craft, but if your talent is unprofessional, late or just not very talented, you saved a few bucks at the cost of a bad event. In this business, you get what you pay for, and price should not always be the first factor to consider in booking live entertainment for your upcoming event.

As an agency, we will give you an honest assessment of each act and match the right singer, impersonator, band or actor to best fit your objectives as well as your budget. We offer only the best in live entertainment. Each entertainer must meet our high standards of professionalism and excellence before they are represented by us. This is our guarantee to you, because in the end you're paying for the best experience possible - for you and your event. Not convinced yet? Below are ten more reasons to think about. Read them, and give us a call. We look forward to meeting your needs.

- 1 EXPERIENCE:** Double Exposure is certified and owned by a CSEP (Certified Special Events Professional). In business since 1986, we are reliable, professional and accountable and have the reputation to prove it.
- 2 QUALIFIED TALENT:** Each act must be approved by an agency representative before they join our roster.
- 3 PROFESSIONAL CONDUCT:** Everyone we represent must have a minimum of one year of performance history with references from past clients that confirm they are reliable.
- 4 COMMUNICATION:** We follow up with each booking and/or client to be sure that our clients are happy with the entertainment we provided and evaluate each act for future consideration.
- 5 PROTECTION:** We provide a very detailed contract that protects everyone from liability issues such as travel, injury and illness.
- 6 PAPERWORK:** No cash payments are expected the night of the event. We handle accounts payable and receivable as well as tax paperwork. If you are a non-profit and are writing off your entertainment budget, it will be valuable for you to have back-up receipts. If you pay the entertainer cash and he does not file, there could be problems with the IRS. Each entertainer's bookings are recorded and they are sent a #1099 (if applicable) at year's end.
- 7 GUARANTEE:** We offer a money-back guarantee should your entertainer not show up for their scheduled booking and we cannot offer a last minute replacement due to illness or act of God.
- 8 SERVICE:** Need to book an act fast? We accept all major credit cards allowing for last minute bookings over the phone. We also book all over the U.S. and can handle travel and lodging arrangements if necessary.
- 9 ACCOUNTABILITY:** Our memberships in ISES, NACE and IACEP and other professional groups show our commitment to principles of professional conduct and ethics.
- 10 SUMMARY:** We offer only the best entertainers who meet our criteria and most of all, we offer you a choice!
